1. Booking Basics

How do I book a bus ticket?

How early can I book?

Tickets open for booking 60 days before the travel date and remain available until 30 minutes before departure, subject to seat availability.

How many seats can I book at once?

A maximum of 6 seats can be booked in a single transaction. For group bookings of more than 6 seats, please contact customer support.

Is a printed ticket required?

Are there senior citizen or student discounts?

No discount is currently offered on regular fares. Special festival offers may be shown on the website during booking.

3. Cancellation and Refunds

How do I cancel my ticket?

Go to My Bookings on the website or app, select the ticket, and tap Cancel. You can also cancel at the counter where you booked, or by calling customer support with your PNR number. Cancellation is confirmed by SMS.

How much is deducted when I cancel?

The cancellation charge depends on how long before departure you cancel:

Time before departure	Cancellation charge	Refund
More than 24 hours	10% of ticket fare	90% of fare
12 to 24 hours	25% of ticket fare	75% of fare
4 to 12 hours	50% of ticket fare	50% of fare
Less than 4 hours	100% of ticket fare	No refund

The convenience fee and payment gateway charges are non-refundable in all cases.

When will I get my refund?

Refunds are sent to the original payment method. UPI and wallet refunds take 1 to 3 working days. Debit and credit card refunds take 5 to 7 working days. Net banking refunds take 3 to 5 working days.

Can I cancel only one seat from a multi-seat booking?

Yes. Partial cancellation is allowed. The cancellation charge is applied only on the seats you cancel.

What if I do not show up at the boarding point?

If you miss the bus without cancelling, the booking is treated as a no-show and no refund is given.

4. Rescheduling and Changes

Can I change my travel date?

Yes. Date change is allowed once per ticket, at least 12 hours before departure. A rescheduling fee of 15% of the ticket fare applies. If the new fare is higher, you pay the difference. If it is lower, the difference is not refunded.

Can I change my boarding point?

Yes. The boarding point can be changed free of charge up to 3 hours before departure, using the Manage Booking option or by calling customer support. The new point must be one of the listed stops for that route.

Can I transfer my ticket to another person?

Yes. Name change is allowed once, up to 6 hours before departure, for a fee of Rs. 100 per ticket. The new passenger must carry a valid photo ID.

Can I change my seat after booking?

Seat changes are not allowed after booking. You can cancel and rebook, but cancellation charges will apply.

5. Payment Issues

My money was deducted but I did not get a ticket. What should I do?

Do not pay again immediately. Wait for 30 minutes, then check My Bookings and your email. If the ticket is not generated, the amount is automatically refunded to the source account within 5 to 7 working days. If it is not refunded after 7 working days, contact customer support with your transaction ID and a screenshot of the payment.

My payment failed. Will my seats be blocked?

Seats are held for 10 minutes during payment. If the payment fails, the seats are released automatically after that time.

Which payment methods are accepted?

UPI, debit cards, credit cards, net banking, and popular wallets. Cash payment is accepted only at authorised counters.

Is there a convenience fee?

You will be informed by SMS and email. You can choose a full refund with no cancellation charge, including the convenience fee, or a free rebooking on another available bus.

What if the bus is delayed?

If the bus is delayed by more than 2 hours at the boarding point, you can cancel for a full refund. Delays caused by weather, road closures or traffic are not eligible for compensation.

What if I miss the bus because of my own delay?

The bus will wait at most 10 minutes beyond the departure time at the boarding point. After that it may leave, and the ticket is treated as a no-show with no refund.
